

WS 2019-20, Wednesdays 14:15-15:45

Whether you are pursuing an academic, teaching, non-profit, government, or business career, the course

Professional Writing

can prepare you to stand out.

We will examine real-world writing examples, such as proposals, brochures, mission statements, websites, procedures, and reports. Then we'll create some of our own. By the end of the semester, members of the class will have a portfolio of polished writing samples.
